Is it time to hang up the hard hats or get down to work?

Is there any money to fix and maintain our roads and bridges? To find out about the present and future of our industry, LICA is convening its Long Island Local Infrastructure Investment Summit Friday, September 19, 2014 from 8:30 a.m. to 10:30 a.m. at the Hilton Long Island in Huntington, NY where the group is inviting local officials to bring along their infrastructure plans for the coming year.

The gathering hosts every key local municipal official in the region so that LICA members may hear, firsthand, plans and projections for the upcoming public works construction season. Expected to attend are Nassau and Suffolk County officials, Town Supervisors, Highway Superintendents and DPW Commissioners.

Among those invited are Nassau County Executive Edward Mangano, Suffolk County Executive Steve Bellone, Nassau County Comptroller George Maragos, Suffolk County Comptroller Joseph Sawicki, Jr., Nassau County District Attorney Kathleen Rice, Suffolk County District Attorney Thomas J. Spota, Hempstead Town Supervisor Kate Murray, North Hempstead Town Supervisor

(Continued on next page)
Judi Bosworth, Oyster Bay Town Supervisor John Venditto, Town of Babylon Supervisor Richard Schaffer, Town of Brookhaven Supervisor Ed Romaine, Town of Islip Supervisor Tom Croci, Nassau County DPW Commissioner Shila Shah-Gavnoudias, and Suffolk County DPW Commissioner Gilbert Anderson.

The September meeting will also see the release of the “Long Island 2015 Local Infrastructure Investment Outlook.” This is an industry “bible” designed to provide economic assessments from industry leaders on what the future may hold. LICA is also inviting municipalities to publish their infrastructure plans and budgets in the guide so that LICA members may study those plans in depth for the purpose of developing an appropriate response.

For more information on this event, please click here. If you are interested in attending and/or would like to place an advertisement in LICA’s Local Infrastructure Investment Outlook guide book, please contact LICA’s Manager of Communications Michelle Giametta at mgiametta@licanys.org. All town project advertisements for the guide must be submitted on or before August 29th.

LICA Invited to Special LIA Session Featuring Port Authority’s Patrick Foye

The Long Island Association (LIA) has extended a specific invitation for LICA members to attend their Special Executive Breakfast Meeting featuring Patrick Foye, Executive Director of the Port Authority of New York & New Jersey, on Wednesday, August 20th at 8:00 a.m. at LIA Headquarters, 300 Broadhollow Road, Melville, NY.

Foye has long known and respected many of LICA’s members and has been a strong and effective advocate of public infrastructure for years prior to his Port Authority appointment. The agency he oversees builds, operates, and maintains critical transportation and trade assets in the New York metro region. Its network of aviation, rail, surface transportation and seaport facilities annually moves millions of people and transports vital cargo throughout the New York/New Jersey region.

Registration is $15 for non-LIA members. Limited seating is available and registration is required. For more information on this event or to RSVP, please click here.

Suffolk Highway Superintendents Association Hosted Luncheon

The Suffolk County Highway Superintendents Association used their recent gathering to underscore the role of well-maintained roads and LICA was pleased to hear that message. The meeting, hosted by East Hampton Highway Superintendent Alex Gregor, noted that their membership is tasked with maintaining over 420 miles of county roads and 140 bridges.

(Continued on next page)
President of the Suffolk County Highway Superintendents Association and Suffolk County Department of Public Works (DPW) Deputy Commissioner Phil Berdolt invited LICA's Executive Director Marc Herbst to offer remarks at the well-attended event.

Referencing the breach of security and the criminal replacement of American flags with bleached white flags on the Brooklyn Bridge, Herbst noted that the importance of infrastructure is often overlooked until there may be a threat to our safety and security. Herbst thanked the industry’s public and private sector leaders who continue to work to maintain an efficient, safe transportation system regardless of whether their daily work in the field generates public attention.

Local 282 Prevailing Wage Rate Changes for Dump Trucks and Dump Trailers

The Teamsters Local 282 has asked LICA to notify our members of the recent prevailing wage rate changes for dump trucks and dump trailers in the five boroughs of New York City.

This new rate which has been approved by the office of the Comptroller, City of New York S220 of the Prevailing Wage Schedule effective July 1, 2014 will be the wage and supplemental benefit rate of the Local 282 Metropolitan Truckers Association and Independent Truckers contract (2012-2016).

Click here to view the negotiated wage and benefit rates of this agreement. If you have any questions please contact LICA's Executive Director Marc Herbst at mherbst@licanys.org.

LICA’s Executive Director Selected as a Juror for LI Canstruction® Charity Event

Normally when you have been told you’ve been canned, or that the can doesn’t work, it’s not a good day. But that can’t be right for LICA’s Executive Director Marc Herbst who has been selected as a juror for this year’s 2014 Annual Canstruction® Long Island to be held on Thursday, October 23rd at RXR Plaza in Uniondale.

Canstruction® Long Island is a unique charity event that features a design-build competition involving teams of architects, engineers, contractors and students who design and build giant self-supporting structures made entirely of canned food. After the structures are built, the creations go on display to the public as a giant art exhibition. At the end of the event, all food is donated to local hunger relief organizations. Donations for Canstruction® Long Island will be made to Long Island Cares and The Harry Chapin Food Bank.

Recognized for their commitment to innovation, hunger relief and collaboration, Canstruction has helped raise over 25 million pounds of food since 1992. Canstruction events are held annually in over 150 cities around the world including North America, Australia, South America, Europe and Asia.

LICA Member Suffolk IDA Appoints New Executive Director

LICA’s Board of Directors is congratulating Robert Stricoff, Babylon’s top economic development official, on his appointment as the new Executive Director of the Suffolk County Industrial Development Agency (IDA)

Stricoff, appointed after a unanimous vote, said that as economic development chief in Babylon, he was proud to close on $880 million in deals that created 5,200 jobs and retained 5,306.

Stricoff will step down as Babylon Democratic Chairman when he begins as Executive Director for the Suffolk County IDA in September.
